Dear Parents/Care Givers of West Broadway Youth Outreach Participants,

Effective July 23, 2012, West Broadway Youth Outreach implemented our "No Child Left Alone" policy.

Parents and community members in West Broadway work very hard to ensure the safety of neighborhood children, and the staff at West Broadway Youth Outreach are always striving to emulate this caring vigilance. WBYO's mandate to provide a safe environment for local children and families is always a priority, and program hours are carefully planned and widely published to allow consistency and accessibility.

Recently, however, we have experienced an ongoing problem with children who are not being picked up from program at the appropriate time. WBYO staff cannot be held accountable for the safety of children outside of prescribed programming hours. Despite their every effort to ensure no child is left alone, WBYO remains a community drop-in, and parents/guardians are responsible for the transportation and accommodation of their children outside of program hours.

The "No Child Left Alone" policy requires that children who are reliant on parental accompaniment for travel to and from programs **must be picked up at the time specified on the WBYO calendar. Typically 8:25PM during school year programming, and typically 5:25PM during school breaks**. Children who are not picked up on time will be verbally reminded of this policy once, following which subsequent late pick-ups will require that the child be accompanied by an adult on all outings/activities for the following week, or 5 days.

As members of the community, we understand that due to unforeseen events, parents may occasionally have difficulty picking up their children on time, despite their best efforts. We understand these difficulties and encourage parents to **provide alternate arrangements for their children to be picked up**. The safety of WBYO children must come first, and we know that you will work together with us to ensure that no child is left alone.

Sincerely,

The Board of Directors,
West Broadway Youth Outreach Inc.
